

Foreword

Regional classes are those not included in the AFMS Uniform Rules. They have been added by the CFMS to accommodate either special types of material or exhibitor interests.

Noncompliance with any of the rules may result in reduction of points or may result in disqualification of the exhibit.

The American Federation Uniform Rules - 1992 and subsequent updates shall apply to all exhibits and classes except where they are in conflict with these Supplementary Rules.

Any award is to the exhibitor and his collection in recognition of excellence. The awards are not intended, and shall not be used by the exhibitor for any commercial purposes such as advertising, publication, etc.

The Chairman of the Rules Committee for the current year shall be the final authority on the application and interpretation of these Rules.

CALIFORNIA FEDERATION TROPHIES**1. Individual Competition**

1.1 Best-in-Class Ribbons. A Best-in-Class ribbon shall be awarded to the highest scored case in individual competition in each class of each division of the AFMS Uniform Rules. Entry must be in Master Group; Advanced or Novice Groups are not eligible. Minimum score is 90 points. In addition, a Junior in individual competition may also win a Best-in-Class ribbon as above, minimum score 70 points.

1.2 CFMS trophies shall be awarded in Master, Junior, Junior Society and Society Groups, conforming to the current AFMS Trophy Classes as listed, or corrected, in the AFMS Uniform Rules, and additional CFMS Trophies as listed in these Rules. (See list at page 9.)

Each trophy will be awarded to the highest scored Best-in-Class exhibit within the classes listed for each trophy. A minimum score of 90 shall be required for the award of a trophy except the Junior point score will be at least 70. Winners of a CFMS Trophy shall not be eligible to compete for the same trophy until the third annual show thereafter, except Juniors may enter another subdivision for the same trophy immediately. In the event of a tie, workmanship points shall determine the winner in the Lapidary and Metalcraft Division, quality of material in the Mineral, Fossil and Fluorescent Divisions, educational value in the Educational Division and applicable decisions will be made in the Open Division.

1.3 CFMS plaques shall be awarded in Advanced Groups conforming to the current AFMS Trophy Classes as listed, or corrected, in the AFMS Uniform Rules, and additional CFMS Trophies as listed in these Rules. (See list at page 9.) To receive the plaque the Advanced Exhibitor must have a minimum score of 80 points.

In all cases the decision of the Rules Chairman shall be final.

2. Sweepstakes

2.1 Sweepstakes Award. A special Sweepstakes Award plaque will be awarded to the CFMS Society earning the most points under the following schedule: Regional and AFMS Classes - first level 5 points, second level 3 points, and third level 1 point, for each exhibit that qualifies.

2.2 Both Society Exhibits and Individual Exhibits earn points except that Novice entries do not earn points toward the Sweepstakes Award.

2.3 The Sweepstakes plaque will be a perpetual trophy and will remain in the custody of the winning Society until the next annual Convention. After winning for the third time, a permanent plaque will be awarded at the next Convention.

2.4 Limitations. No individual Society member may be responsible for more than 20 percent of the total points considered in making the Sweepstakes Award. There is no limit to the number of times a Society may win the Sweepstakes Award. All competitive displays, in whatever category, must be registered with the Assistant Rules Chairperson:

SPECIAL CFMS TROPHIES**CHOATE JEWELRY TROPHY**

Sponsored by the Santa Clara Valley Gem & Mineral Society.

1. This trophy will be awarded for the best single piece of original jewelry, displaying the exhibitor's design and metalsmithing techniques, made and exhibited in special competition for the Choate Jewelry Trophy.
2. Each single piece of jewelry is to be displayed together with other Choate Trophy entries in a special case to be provided by the Host Society. The entrant is to mount the piece so as to display it to its best advantage, as points will be given for showmanship.
3. The single piece of jewelry shall contain at least one item larger than 5mm in its smallest dimension, but, this item need not be cut by the exhibitor. Any material which is accepted by the AFMS Uniform Rules for inclusion in jewelry is acceptable for this competition. Also, any technique which is acceptable for jewelry, as specified in the Uniform Rules, shall be accepted.
4. A label shall identify the metal used and the gemstone. Other information about techniques used is optional but, if included, will be judged.
5. A minimum score of 90 points is required for trophy consideration.
6. Judging percentages: metalwork, 65%; originality of design, 10%; labeling, 5%; showmanship, 10%; lapidary quality and workmanship, 10%.
7. Decision by the Rules Chairman shall be final.
8. The winner of the Choate Jewelry Trophy shall not be eligible to enter competition for this trophy for three years after winning.

DIAMOND PACIFIC TROPHY FOR CABOCHONS

Sponsored by Diamond Pacific Tool Corp.

1. This trophy will be awarded to the best individual case of Best-in-Class Cabochons entered competitively at the annual CFMS Convention and Show in Subdivision CC.
2. The cabochons must have been cut and polished entirely by the exhibitor, who must be a bona fide amateur not gaining any sizeable portion of his or her income from the lapidary trade, both at the time of cutting and polishing the cabochons and at the time of exhibiting.
3. In the event there are no cabochon cases entered in competition, the Rules Chair will appoint a team of at least two (2) lapidary judges to choose the best in show cabochon case from the non-competitive cases in the show. Their decision will be final.

NORTHERN CALIFORNIA FACETERS TROPHY

Sponsored by Faceters Guild of Northern California, Inc.

1. This trophy will be awarded to the highest scored display of two faceted stones. One cut from natural material and one cut from synthetic or manmade material. For this competition, synthetic is defined as a transparent mineral with a crystal structure other than natural. A manmade mineral would be the same as a synthetic except an identical material does not exist naturally. Glass or plastic materials are not eligible.
2. All entries will be placed in a show case(s) provided by the Host Society. The entrant is to supply a pad, box or display stand not larger than 3"x4" for his or her entry.
3. Each stone will include a label with the specific name of the material used, the name of the cut, Mohs hardness, 10-12 + or - 1/2 mm in size. Patterns must accompany stones.
4. This will be an OPEN competition. The stones must be cut by the exhibitor.
5. A minimum score of 90 points will be required for a trophy.
6. Judging percentages: labeling, 5%; quality of materials, 5%; variety of cut, 10% workmanship, 80%.
7. A trophy winner may compete in a subsequent show but with all new stones.
8. Decision of the Rules Chairman is final.

BEGINNING FACETERS TROPHY

Sponsored by the Faceters Guild of Southern California

1. This trophy is for faceters who have not previously won a faceting award and will be awarded only once to any participant. The trophy will become the permanent property of the winner.
2. The entry is to be a single faceted stone, mounted on a square not larger than 3x3 inches, in such a way that the entry can be judged without removal from the mount.
3. No consideration will be given to choice of material if it is appropriate for faceting.
4. The entry is to be labeled to identify the material used, the name of the cut, and the number of facets. Additional information is optional and will not be judged.
5. The judging points shall be as follows: showmanship, 5%; labeling, 5%; quality of material, 5%; difficulty of cut, 15%; workmanship, 70%.
6. Decision of the Rules Chairman is final.
