

To cover the cost of added security, the University will be charging \$20.00 per night for dry camping. There are a limited number of spaces available. Spaces will be assigned on a first come first serve basis.

Please abide by all rules established by the College.

1. There will be no parking at any time on the campus grounds other than the designated location. Do not drive off the established roadways.
2. All trash must be picked up at all times. There will be trash bins available.
3. Keep noise to a minimum. Residential housing surrounds the college and we need to respect the rights of their neighbors.
